

Matching Donations

"We make a living by what we get, but we make a life by what we give"
Winston Churchill

Corporate Gift Matching: Making Your Gift Go Further

Many companies have programs through which they will "match" the charitable contributions made by their employees and retirees to a qualified non-profit organization. Through corporate gift matching, your employer can multiply your gift to St. Alphonsus School, making it go further. These corporate community support campaigns serve a vital role in our commitment to strengthen the educational programs that positively contribute to our communities.

We've compiled a list of Wisconsin companies that currently offer "matching programs". If your employer is not currently on the list, we ask for your help in requesting that your corporation consider St. Alphonsus School as a matching gift recipient.

Here's how to double your dollar donations to St. Alphonsus School in three easy steps:

1. Locate your company's name on this list. If your company isn't on our list, find out if it has a matching gift program.
2. Obtain a matching gift form from your personnel, human resources, or charitable giving office.
3. Send the completed form with your donation to the **St. Alphonsus School, 6060 W. Loomis Road, Greendale, WI 53129**. (If you have already donated, just send the completed form. Depending on your company's guidelines, we still may be able to obtain a match.) Note: Some companies have a phone number to contact rather than a form to complete.
