

Dear Parents:

We at St. Alphonsus are pleased that you have chosen to register your child/ren at our parish school.

The primary mission of our school is to promote the spiritual, physical, and academic growth of the whole child. Both school and home work together to achieve this goal. You are not only the first teacher of your child, but the best teacher as well.

Thus, we ask that you share your commitment to your Catholic faith with your child. You can do this by:

1. Attending Sunday Mass weekly as a family unit.
2. Receiving the sacraments regularly.
3. Praying and sharing the scriptures with your family.
4. Actively participating in the parish community.
5. Financially supporting the parish by signing an annual stewardship pledge and honoring that commitment by using parish contribution envelopes and by making tuition payments on time.
6. Volunteering for school and parish events.

We welcome you to our school community. It is our prayer that your stay with us will bring your family an enriching faith experience.

Respectfully,

Rev. Alan Jurkus
Pastor

Mrs. Pat Wadzinski
Principal

Please sign and return to the School Office.

We agree that our family will make every effort to live out the above mission statement.
