

For students going into 1st, 2nd, or 3rd grade or students who have had previous exposure to the Spanish language.

Dear Parent(s),

¡Bienvenidos a la escuela San Alfonso! Welcome to St. Alphonsus School!

St. Alphonsus School offers a foreign language program. We offer Spanish as an elective to our students in grades 1 – 8. Unless your child has had previous exposure to the Spanish language, I will be able to accommodate new students only at the 1st, 2nd, and 3rd grade levels.

Parents of students who elect to participate in this program pay an additional fee.

My approach is the ‘Natural Approach’ which is second language acquisition via meaningful and authentic experiences. Embedded in these experiences (songs, games, poetry, stories, dramatizations, etc.) are the concepts, verbal skills, and grammatical structures necessary for successful oral and written communication in the target language. Our curriculum encompasses all of the Wisconsin standards for foreign language acquisition.

My main objective is to teach Spanish in a stress-free, fun, and motivating environment. Other goals are to introduce my students to another culture, make them sensitive and open to other cultures, lessen any fears they may have about studying a foreign language, and make their future high school foreign language experience a positive and successful one.

Please return the bottom portion of this letter to the School Office to let us know whether or not you are interested in having your child enrolled in the program.

Sinceramente,

Sra. Rebecca Trojan
Spanish Teacher
